

TECHNICAL DATA SHEET

COVERALL

MODEL: SW1620

Disposable nonwoven SMS coverall is lightweight, soft, comfortable and breathable. It is eco-friendly, non-toxic, waterproof and dust-proof, and is used in heavy industry to protect the body against water and dust and in lab to protect chemical.

One-piece coverall white color, with hood, zipper at front opening covered by flap, elastic cuffs, ankles, hood and waist. Coverall with hood elasticated wrists & ankles & waist, double flap over the zipper. Serged seams increased strength and an effective liquid & particle barrier.

Fabric: SMS, white color

Sizes :S, M, L, XL, XXL

Compliance: CE Category III Type 5/6
