Technical Specification

80ft Large Open Reel

OLA801114G4SL-US

Features

- » Robust reel with two-tone carry handle
- » Safety thermal breaker with reset button
- » Integrated on/off switch
- » Power LED indicator and built-in cord guide

Description

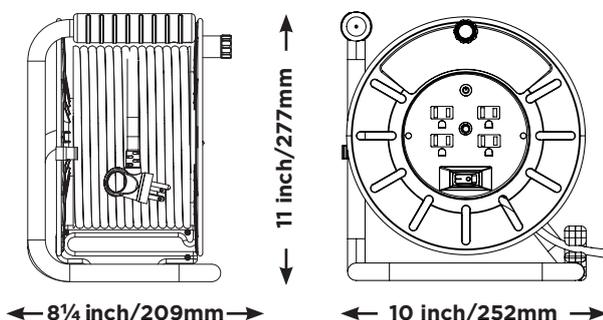

The Masterplug 80ft cord reel provided 1560W of power with 4 surge-protected 120V sockets (rating of 13A), a LED power indicator, power switch, cord guide, and a built-in thermal breaker and reset button. Constructed to provide power where you need it with 80ft of highly visible green cable. The compact design is perfect for home, yard, and light industrial use. The thermal breaker reduces the risk of fire in case of power overload.
